Directions:

- (1) Print out log sheet. Top off vehicle with fuel. Do not add Ethos FR. Log Odometer Start.
- (2) Drive vehicle under normal daily conditions until time to refill with fuel.
- (3) Fill up with fuel. Log Odometer Stop, Fuel Price, Gallons Pumped This Fill-up.
- (4) Enter Information into Calculate Miles Per Gallon form on EthosFR-Media.com. Click Calculate
- (5) Record MPG on this Log Sheet.
- (6) Repeat 1 thru 5 two more times if you want better statistical accuracy. (optional), (recommended)
- (7) Repeat 1 thru 5 while adding Ethos FR to Fuel and Crankcase Oil.
- (8) Repeat 1 thru 5 two more times while adding Ethos FR to Fuel and Crankcase Oil if you want better statistical accuracy. (optional), (recommended)
